

My family and I would be miserable if K-LOVE were taken off the air. The station serves as encouragement to all of us throughout the day. The music is encouraging, positive music that the whole family can listen to. It is one of the few positive things going on in the media today. It also serves the whole community with linking us the what's going on in the Christian music scene. We hear about concerts, etc. through K-love. Please don't consider making it impossible for us to hear it as we ride in our cars. We need a stronger signal, not an elimination of one.

Thank you, Cathy Burr
